POLK-BURNETT ELECTRIC COOPERATIVE

Policy No.: **BD-14**

Subject: **ROPE (Restoration of Power in Emergencies)**

Objective: To provide mutual assistance between neighboring systems during times of emergencies.

Policy: Polk-Burnett Electric Cooperative (Polk-Burnett) shall participate in the ROPE program whereby rural electric cooperatives and municipal electric utilities of Wisconsin may assist one another in times of emergencies.

The general manager is authorized to respond to requests by other program participants for assistance from Polk-Burnett resources, or request assistance on Polk-Burnett's behalf, in accordance with procedures and conditions stated in the ROPE manual issued to all participants.
