POLK-BURNETT ELECTRIC COOPERATIVE

Policy No.: **M-5**

Subject: **Incentive and Rebate Programs**

Objective: To encourage the efficient use of all electric applications that implement measures of electricity reduction.

Policy: The general manager and the appropriate cooperative staff are responsible to develop plans and programs to encourage the efficient use of electricity, and to promote rebate and incentive programs available to members.

RESPONSIBILITY:

This policy is the responsibility of the general manager.
